Dear valued Scout Leader:

Your assistance is greatly needed to gather and submit email addresses of your families and volunteers in your Scouting Unit. In an effort to help each boy through his Scouting Journey to Excellence, the Boy Scouts of America will survey members, parents, volunteers and Chartered Organizations no more than once every six months. Only emailed surveys will be accepted into consideration in order to hear the "Voice of the Scout". That is why we are asking for your assistance in collecting email addresses of every family and volunteer in your Scouting Unit.

This survey will assist us to act on concerns and unmet expectations that can be addressed today, determine what is working and replicate it and also to identify key actions that need to be solved.

Our Council will receive generated reports monthly. Recovery notices are sent immediately to the Council on behalf of respondents with issues they believe require the attention of our Council leadership.

Please email us at northfloridacouncil@scouting.org with email addresses of your Scouting families and volunteers. If you have an electronic version, ie: Excel, Outlook and/or Access please email us that information. Together, we can all help each boy through his Journey of Excellence.

If you have questions regarding this, please contact Jana Metzger at 1-800-232-0845.

Yours sincerely,
